## ACCESSORIES GUIDE

## THE MOTOROLA VC70N0 ACCESSORY FAMILY

Tailor your VC70N0 vehicle mount computers to enable peak efficiency in your warehouse applications. QWERTY and AZERTY keyboards make international data entry easier from the freezer to the warehouse aisles and outside on the loading dock, while a numeric keypad brings simplicity to applications that primarily require numeric input. A wide variety of mounting options makes it easy to mount on just about any material handling vehicle in your warehouse. And voice accessories, including an external speaker and microphone, allow you to easily provide push-to-talk voice communications so your equipment operators are always easy to reach.
